Instructions:

1. To nominate an individual for one of the awards listed above, complete this form and arrange to supply supporting letters of reference. A minimum of four references is required for consideration in addition to the other required materials listed on the form.

Visit <http://www.osa.org/applications/awards/AddAwardNomination.aspx> to download and print a pdf nomination form or complete an online nomination form.

2. Only completed nominations received at OSA by October 1, 2010, will be considered. Nominations received after the due date are referred to the following year's committee. Any nominee not chosen for a medal or prize is automatically considered for the award by the next two consecutive committees. Award recipients will be announced in March 2011.

For further information, call +1.202.416.1960 or email awards@osa.org.
