Extra-Activities Programme
Siegman School 2016
Extra-Activities Programme

Day 1
25th of July

Team Building at Castelldefel's Olympic Canal

Activities

Boat building
You'll be given the material to build a boat from scratch in order to get a flag situated across the canal, after getting the flag you'll have to return to the start point and disassemble the boat. Points will be given depending on how fast you can complete the tasks and the number of people the boat can transport.

Canadian Canoe
Race between the teams across the canal circuit using a canoe.

Tug of war
All the participants will play tug of war, the team who gets closer to the centre of the rope first wins.

Kaiac
Relay race between teams in kaiacs.

Day 2
26th of July

Dinner at the restaurant Moments in Castelldefels
