**Gift Card Raffle - Contest Rules**

Maximum number of entries per person may not exceed total number of enhanced and conference wide sponsor level exhibitors for the 2020 Frontiers in Optics + Laser Science and Quantum 2.0 virtual exhibit.

Here are just a few thoughts: How long will the contest be held open for? Do you want to indicate a start and end date/time? When and how will the winner be selected and announced? What if a winner cannot be notified or contacted or we cannot deliver the prize, will the prize be forfeited? You may wish to add these details to the rules.

Entrants automatically agree to legal terms and conditions outlined below upon sharing a "virtual business card" on the exhibitor profile.

Contest winners are selected by random drawing only and are approved in the sole discretion of OSA Management.

All contest results are final when announced.

Entrants must be registered for either the 2020 Frontiers in Optics + Laser Science event or the 2020 Quantum 2.0 event with valid contact information in their registration in order to qualify. Employees of OSA, employees of APD and Exhibitor staff are not eligible to participate.

**NO PURCHASE OR PAYMENT IS NECESSARY IN ORDER TO ENTER THE CONTEST**

A total of 3 $100 American Express gift cards will be distributed to contest winners. Your odds of winning depend on the number of contest participants and their overall participation in the contest.

Winners will receive the gift cards within 14 business days after the meeting.
